GLOBAL LOGISTICS SERVICES

## CARGONET

**Your way to a sustainable global logistics network.**

Are you tired of constantly running after your freight forwarder, having different contact persons or hearing the same excuses over and over?

**The time has come:** Let CARGONET take a closer look into your logistics.

Depend on the **CARGONET** for

- › economic transport solutions
- › smooth customs and warehousing operations

**Next level up for any kind of transportation by air, ocean, rail and road cargo.**

### **This includes**

- › commercial cargo
- › free trade zone
- › express and projects
- › event and expo logistics
